

Wonder Lake – Nippersink Creek Fishing Information - 2023

Wonder Lake, and the Nippersink Creek stream channel downstream (east) of the Thompson Road Bridge, are owned by the Wonder Lake Master Property Owners Association (MPOA). Fishing is only allowed in these areas for those landowners holding deeded lake rights to Wonder Lake, or their guests, who must be accompanied by someone holding deeded lake rights.

Fishing in these areas is governed by the Illinois Department of Natural Resources (IDNR), as summarized below, with IDNR fishing licenses required for anyone 16 years of age or older. Fishing Licenses are available for purchase at the MPOA office.

SPORT FISHING LICENSE

ILLINOIS RESIDENTS:

A resident sport fishing license may be obtained by anyone who has been a resident of Illinois 30 days prior to purchase. Sport fishermen under 16 years of age, and persons declared legally disabled or blind, may fish without a license. Owners or tenants (if they reside on the land) may fish in waters on or flowing over their lands without a license. This exemption does not apply to club and organizational lakes or lake developments.

Persons on active duty in the Armed Forces are considered residents. A person on active duty in the Armed Forces, who entered the service from Illinois and is an Illinois resident, may fish without a license while on leave.

** Half-priced sport fishing and sportsman's licenses will be available to resident veterans of the U.S. Armed Forces after returning from service abroad, or mobilization by the President of the United States. Veterans must contact the Springfield office to obtain a half-priced license. Please call 217-782-6302.

NON-RESIDENTS:

Non-residents of Illinois may purchase sport fishing licenses to fish waters of the state. Non-resident sport fishermen under 16 years of age may fish without a license. All other non-resident sport fishermen must purchase sport fishing licenses before fishing in Illinois (except in licensed fee fishing areas or on boundary rivers).

Resident or non-resident sport fishermen who fish at fee fishing areas licensed by the Department of Natural Resources are not required to have a license.

Non-residents holding licenses from states bordering Illinois are not required to have an Illinois license to fish on the Illinois side of rivers adjoining the licensing state (see page 74 BOUNDARY RIVERS).

Sport fishermen should have their license in possession at all times while fishing. Licenses expire on March 31 each year.
